IT'S SHOWTIME: 80s*ALIVE – THE 80'S ARE BACK!

ALIVE PRESENT THE HOTTEST ARTISTS OF THE 80s LIVE ON STAGE.
THE ENJOYABLE PARTY FUN IN THE ORIGINAL LOOK OF THE 80'S.

Varied, colourful and extreme – this was the music of the 80's. Barely any other decade combined so many musical genres to create the great sounds of this time with so many different artists enjoying chart success.

80s Alive* combines them all to a big 80's show with iconic artists and brings the most famous back from retirement to the stage. In the 2 ½ hour program, all the biggest stars of the 80's are represented. Amusing fun in the original look of the superstars of the 80's; to laugh, participate and sing.

Based on the 80's TV-Show "Formel Eins" and the first MTV VJ's, host "Mickie Sixx" will lead you through the program and presents the artists "Live on Stage".

Through the fast costume changes (the visual transformation of the singer into the original artist) and nearly identical reproduction of the music, the illusion manages to be perfect. Because of this, stunned and enthusiastic spectators are not rare, which – as friends of the 80's sound – it pleases us immensely.

Mickie Sixx, 7 musicians and the cute girls of the „80's Alive Dancing Crew“ give you a wild and colourful live show with over 150 different wigs, costumes, accessories, Rubik's Cubes, a lot of fun and little surprises for your pleasure.

80s*Alive – Hits nonstop: Sound of global superstars like Cher, U2, Falco, soul diva Whitney Houston, Roxette, Duran Duran, Depeche Mode, the rockers of Bon Jovi, Scorpions & Europe, Peter Gabriel, Level 42, A-Ha; pop icons Madonna, Kiss, Michael Jackson – the absolute legend, Human League, Boy George, die rock singer Doro, Paul Young, Taylor Dayne, Dead or Alive, the unforgettable Queen and Nena, the German „Miss Wonder“ of the 80's and many different top acts. Hand-picked and genre spanning.
